and other conditions
STROKE

Greater Manchester Neurological Alliance

Bury Information & Consultation Day

Friday 12th May 2006 11am—3pm

Venue : Bolton Road Methodist Church, Bury, BL8 2PH

Do you have a **neurological condition?** Or are you a carer for someone with a **neurological condition?**

We would like to invite you to come along to our informal drop-in to get information about GMNA and our exciting consultation project.

This is a chance for you to let us know your views and comments about neuro-services in Bury. Your comments could also help influence the implementation of the National Service Framework for Long Term Conditions.

There will also be an opportunity to meet some of our member organisations and learn about support and advice available. Don't miss this chance to have **your** say!

Light refreshments will be provided.

Bus no. 471 every 15 mins from Bolton or Bury stops outside.

Parking available on site. Funds available to cover transport and sitter costs.

For further information, please contact Yvonne on 0161 707 2129 or email: yvonnegmna@tiscali.co.uk
